

# **Cadillac Big Meet 2023**

Kremsmünster, Austria

19 & 20 August

- Saturday cruising tour: Shaking hands with Classic Car Friends!

We welcome you to The Cruising Tour on Saturday, August 19 where we visit the beautiful Austrian countryside, in which we have a very special highlight this year: we are going to join a big classic car rally (*called the Landl Rally*) where we are warmly welcomed and will enjoy a large space that is reserved for the impressive amount of Cadillacs that are joining our Cruising Tour.

Plenty of registrations, including many new participants, are already made!

Let us know soon if you would like to cruise along with us and spend a fantastic Saturday.

- Sunday meeting: Cadillac Big Meet at Schloss Kremsegg

Special theme: The Cadillac Eldorado (1953 – 2002) welcomes all of Eldorado's generations!

Europe's biggest Cadillac meeting, the Cadillac Big Meet, has become a beautiful tradition, an event you simply need to experience, to enjoy the friendships, old and new, to be part of this unique moment during the summer, when you can walk around on the castle grounds of Schloss Kremsegg and gaze at the fantastic Cadillacs of all types and vintages in the main show fields, and then stroll on to the other locations to see several sweet classic cars of other brands, check out the stands of various renowned sellers, making your way back to the Cadillacs, where usually an interesting presentation is being made, or just to get some refreshments or something to eat.

It merits a small mention, thanks to the continued efforts of the organisation team and several volunteers, that the Cadillac Big Meet has been held in virtually unchanged format since 2004. We could not have been this successful throughout these many years, were it not for the much-appreciated support of the city of Kremsmünster, also our main sponsor and co-organizer. Entrance is free for everyone, your friendly donations will support local charities.

- All information can be found on our website:

<http://www.cadillac-bigmeet.com/>

Practical information, photos and videos of past meetings, and much more!

- Cadillac Big Meet group page:
