The Eleventh Cadillac BIG Meet at Hofwiese Park, Kremsmünster, Austria
Sunday, August 28th, 2016

Historic, scenic and beautiful Kremsmünster will move you!

Since more than a decade now, the friendly little town of Kremsmünster has been the location for our Cadillac BIG Meet. And for a handful of those years, we were able to proudly announce that the city of Kremsmünster is co-organizer of the Big Meet!

It is a fine moment when the iconoclastic cultural heritage as presented by Cadillac, the pinnacle of automotive and stylistic engineering in its day, is allowed to assimilate with the historic heritage as presented by Kremsmünster.

The past meetings were at the pleasing castle grounds of Schloss Kremsegg. Due to a complete remodeling of the whole park we needed to find a new home for Europe's biggest Cadillac Meeting in 2016. We were lucky to find a great new venue for the Cadillac BIG Meet at a park in the heart of Kremsmünster - the „Hofwiese“ about 1 Kilometer away from the former venue. This new venue offers great new opportunities to display Cadillacs in a new way. There will be an adjoining area for all classic and USA cars for visitors arriving in these cars.

In regards to the show field, it is now the largest yet: plenty of space to park your Cadillac, as well as enjoy the other Cadillacs, allowing breathing space between the cars for photographing, filming, or just gazing at them in quiet admiration. We've moved, but you too will be moved!

So it's clear that, if you have a Cadillac or are lusting after one, on August 28th, 2016, the Hofwiese, Kremsmünster, Austria is the place to be.

This year's special theme is “The Eldorado from 1953 - 1966 - the first generation of Cadillac's most famous model” with special presentation.

We will try to have at least one Eldorado of every year at the show. More info on this theme is on our website: <http://www.cadillac-meeting.com/english/program/spotlight/index.html>

Of course, we welcome all the fantastic Cadillacs of all other models as well, fully restored or all original, old and new alike.

On Saturday August 27th, the Kremsmünster event kicks off with a cruise through the scenic countryside. Please decide swiftly if you'd like to join in!

But the big day will be Sunday when Cadillacs meet in the Hofwiese Park, Gablonzerstrasse 15. Important to note is that everybody is welcome, no pre-registrations necessary (except for the Saturday cruise of course). Just drive up to the park gates and enter Cadillac Heaven!

The BIG Meet is also free for visitors – good to know if your Cadillac is being restored, or if you still haven't come across that dream car you're lusting after... maybe you'll find it here?

Kremsmünster is located about 30km southwest of Linz, Austria.
